Tram Nguyen

Welcome to my Portfolio

My name is Andrew Vanderheiden, and I am a 1st year PhD student in the Geography department at Texas A&M University. My area of study is physical geography, specifically fluvial geomorphology.

I also earned my B.S. in Environmental Geosciences from Texas A&M.

I have completed advanced courses studying:

- Geodesy
- Unmanned Aerial Systems
- GNSS Satellite Positioning
- GIS and Remote Sensing
- Human-Environment Interactions
- Environmental Policy
